# COME JOIN US!

Unlike single-issue organizations, the Scotch Plains Junior Woman's Club structure allows Club members to address the emerging needs of the town, county and state and to respond quickly to calls for help. The Club has both the ability to tap into the expertise available through the General Federation of Women's Clubs (GFWC), the New Jersey General Federation of Women's Clubs (NJGFWC), Club members and other organizations and the freedom to shape programs to suit particular community needs. The Club offers a diverse chance for "hands-on" service in the community as well as for personal growth.

Each member is encouraged to participate as little or as often as her schedule permits. The Club provides a perfect setting for a woman to connect socially and professionally with others.

In December, 2010 we held our Annual Breakfast with Santa. We all had a really good time!

# WHO WE ARE... WHAT WE DO... WHY WE DO IT...

## OUR HISTORY

The Scotch Plains Junior Woman's Club organized on July 11, 1947, federated on September 12, 1947, and incorporated on July 9, 1964. Since that date, the club has undergone many changes, but our commitment to community service has remained.

## OUR MISSION

As a GFWC member club, the Scotch Plains Junior Woman's Club is dedicated to the GFWC mission of **Community Improvement** by enhancing the lives of others through **Volunteer Service**. SPJWC and its Members donate thousands of dollars and volunteer hours each year to help those in need, support the arts, preserve natural resources, promote education, encourage healthy lifestyles, stress civic involvement, and work toward world peace and understanding.

## OUR PROJECTS

Club projects address a wide range of community needs, and involve an equally diverse mixture of volunteer interests and skills. Our major ongoing projects include:

### Spring & Fall Town Wide Garage Sale

This is our biggest fundraiser. The money raised goes back to the community and it takes place just before bulk pick up.

### Egg Hunt

Hundreds of kids have celebrated by finding eggs and taking their picture with the Easter Bunny.

### Charity Coat Drive

Every November we collect gently worn coats and donate them to local families in need.

### Preschool Panel

Parents can gather information about many preschools all under one roof.

## OUR MEMBERS

Our members include social workers, teachers, business owners, homemakers, medical professionals, administrative assistants and lawyers. Diversity in ages, interests and experiences unite these women through a common dedication to community improvement through volunteer service. Members develop life-long friendships through the Club, fostered by the sharing of interests and goals.
